REFUNDS, ABSENCES & MAKE-UPS

14. **Refunds policy.** All fees, payments & deposits are non-refundable including tuition, costumes, workshops, holiday camps, optional extras, uniform items and enrolment deposits. We plan classes, teachers and costumes around your dancer for the year.

    If your circumstances change, contact the DANCE1 Office. Where possible, we will offer a class swap, make-up class, or a class credit transfer option in line with our DANCE1 values at the discretion of the Director.

15. **No credits for absences.** We do not refund, reduce or credit fees for any reasons including, missed classes, illness, holidays, religious events, family occasions, scheduling conflicts, withdrawal or change of mind.
    Make-up classes are available instead and injured dancers are welcome to watch class to keep up with their routines.

16. **Injury or Illness.** If your dancer can't dance due to an injury or illness, please contact the DANCE1 Office for appropriate class adjustments. The Director will consider enrolments on a case-by-case basis. Any credit option offered will not apply to any costume or concert costs.

17. **Forced closure.** In the event of a forced closure, DANCE1 continues an outstanding online program in line with our values. No refunds or credits are given for missed classes or enrolments cancelled due to these factors.

18. **Make-up classes (Preschool - Year 12).** Make-up classes are available in Terms 1, 2 & 4 only and are booked through the DANCE1 Office, subject to space in an equivalent class for the age-group.
    Make-up classes are not available during Term 3 due to concert preparations.

END OF YEAR CONCERTS

19. **Concert Participation.** Our end of year concerts are not compulsory and we let families make the best choice for their circumstances.
    If not participating, written notice must be given at the end of Term 2 or earlier. Concert preparations begin as early as Term 1, so late notice can affect costuming, choreography and class rehearsals.

20. **Class Changes.** Due to overseas costume orders, dancers are unable to change classes after Week 5 of Term 2. After this time, full concert participation cannot be guaranteed.

21. **Joining mid-year.** Dancers who enrol partway through Term 2 or the beginning of Term 3 may be eligible for concert participation, pending costume ordering and availability. The DANCE1 Office will be able to advise once enrolment has been confirmed.

22. **Term 3 Enrolments.** Enrolments received after Week 3 of Term 3 are unable to be part of the concerts, but are welcome to come and watch to see the show from the audience perspective ready for the following year.

COMMUNICATION

23. **Email.** DANCE1 communicates primarily via email to share important updates, event details, and announcements. It is essential that parents/guardians actively monitor their nominated email address to stay updated. By enrolling your child, you agree to monitor this channel to help your child stay on track with attending classes & rehearsals, studio events, and other commitments.

24. **Text messages.** When providing your mobile phone number and ticking the SMS consent box during enrolment, you opt in to receive updates only relevant to your child's classes, events, timetable changes, and attendance. You can withdraw this consent at any time by replying STOP to any text message.

    To ensure student safety and smooth operations, DANCE1 reserves the right to contact families via text regarding critical transactional matters such as fee invoices, emergency scheduling changes, student health, or immediate safety alerts. These essential notifications are not considered commercial under Australian law and will be sent regardless of your marketing opt-out status.

PHOTOS, FILMING & MEDIA

25. **Consent.** One consent tier should be chosen per dancer on their 2027 Enrolment Form. For dancers aged 12 & older, we encourage parents to discuss this with their dancer and involve them in the choice.

    Tier 1: External. Images may be shared publicly (via our website, social media, print or promotions) with faces hidden and no personal details. Images are also shared internally as per Tier 2.

    Tier 2: Internal. Images are used solely in DANCE1 communication (emails, newsletters and on rare occasions on BAND). Images are never posted publicly online or in print media.

    Tier 3: No images. Your dancer will not appear in any photo or video, with the exception of our end of year concert performance

    If no tier is chosen, we apply Tier 2 (Internal).

    Consent can be changed at any time by emailing the DANCE1 Office.

    End of Year Performances. The Tier system does not apply to our end of year shows. Concerts are filmed and by performing, your dancer will appear in the concert video which is shared with all DANCE1 families.

26. **Filming in Class.** Any images or videos captured during classes are done by DANCE1 Staff on authorised devices. This is done for educational purposes, training and in some instances celebrating studio-wide achievements.

    Parents, visitors and dancers must NOT film or photograph during classes and in common areas at the DANCE1 Studio.

HEALTH & SAFETY

27. **Injury or Illness.** By enrolling your child, you understand the risk associated with undertaking dance as a physical activity and acknowledge that on the rare occasion, accidents may occur through no fault of DANCE1 or its instructors.

    In this instance, you agree to release DANCE1 and its instructors of any and all injuries & damage incurred by your dancer.

    We ask students to advise teachers promptly of any pain or discomfort experienced during class.

28. **Suitable class uniform.** Dancers are required to wear the correct DANCE1 uniform items for class for safety reasons (including fitted dance shoes). Any dancers without the correct uniform may not be able to participate fully in class if the teacher deems the activity unsafe.

29. **Medical Conditions.** Parents & guardians should disclose any relevant medical conditions, allergies, injuries or additional needs at the time of enrolment and notify the DANCE1 Office if circumstances change. This information helps us provide the most appropriate care and support during classes.

30. **Confidentiality.** Any medical information disclosed to DANCE1 is kept confidential for the privacy of the student. Some relevant details may need to be shared with DANCE1 staff and in this instance, DANCE1 will seek permission before sharing. All staff are bound by confidentiality as part of their Staff Child Safe Code of Conduct.
