CHOOSING CLASSES

Every school-aged dancer starts with one ‘core’ class that is determined by their school year. All students participate in a combo class of ‘Jazz’ and at least ‘one additional style’. Once enrolled in one of the below classes, students in Kindy & above have the option to add any extra styles (Hip Hop, Urban, ACRO and more).
Class groupings are planned based on 2026 enrolments and may change depending on enrolments in 2027.

SCHOOL YEAR IN 2027	CORE CLASS
Preschool (ages 2.5 - 6 years)	TinyBlast (Jazz & Ballet)
Kindy & Year 1	MiniBlast, choose from: Jazz & Tap, Jazz & Modern, Jazz & Ballet
Year 2 & 3	DemiBlast (Jazz, Tap & Modern) OR MiniBlast (Jazz & Ballet only)
Year 4, 5 & 6	DanceBlast (Jazz, Broadway & Modern)
Year 7 & above	DanceBlast, choose from: ‘Standard’ DanceBlast (Jazz, Broadway & Modern) OR ADVANCED DanceBlast (Jazz, Broadway, Modern & Contemporary)

NOTE: To enrol in ADVANCED DanceBlast (Years 7–12), your dancer must also enrol in the matching Contemporary & Technique class that is scheduled directly before or after ADVANCED DanceBlast.

Students in Year 7 & above who choose to enrol in a ‘Standard’ DanceBlast are not required to enrol into a Contemporary & Technique class, unless wishing to add this on as an ‘extra’ class.

** CLASSES IN THE SPOTLIGHT IN 2027 **

TRICKS, TURNS & LEAPS - on offer for Year 4 & above

Get ready to sharpen your turns, lift your leaps and master the tricks that make all our concert routines shine! A 1 hour class that works on strength, conditioning and all the foundations of pirouettes, jetés and showstopper tricks!

BACK TO BACK CLASSES FOR EVERY AGE GROUP... EVERY NIGHT

One drop-off, more dancing. We’ve got even more ‘back to back’ classes for every age-group. That means fewer trips to the studio, more opportunities to add on concert routines and to get closer to your Dance Addiction Finale moment!

‘ALL-INCLUSIVE’ FEES

At DANCE1 we keep it clear for our families. We’ve built our fees to be simple and predictable: one all-inclusive term fee covers weekly classes, brand-new concert costumes your dancer keeps, tights and lipstick. Nothing lands on you at the busy end of the year, and any extras for the year ahead are set out before you enrol, so you can plan with confidence.

WHAT IS INCLUDED?

- Weekly tuition for all 36 weeks of the year
- New, professionally made concert costumes, yours to keep!
- Brand new Jazz and/or Modern tights for the concert
- Exclusive DANCE1 brand concert lipstick

For existing families, these fees are split into three instalments paid in Terms 1, 2 & 3. Term 4 fees have already been accounted for across these payments.

A few extras sit outside our term fees. Not every dancer will need all, as they depend on classes, year group and performances, so please consider which apply to your dancer before enrolling.

OPENING NUMBER: BE INVOLVED IN 2027

Perhaps one of our BIGGEST questions each year post-concert is, 'How can I dance in the Opening Number?!'
It's the first number the audience sees, and leaves the biggest impression on both dancers & families.

Dancing in the Opening Number is a special privilege and requires some extra commitment on the part of students. Dancers have the option to participate in:

OPTION	WHO
Dancers who are enrolled *all year* in **DanceBlast + Technique + at least ONE additional style** *PLEASE NOTE:* DanceBlast + Technique (Ballet/Contemporary) does not qualify as an additional style. As dancers are enrolling all year and attending additional weekly classes, their ongoing commitment earns them more stage time in the Opening Number	Year 4 & above
Junior dancers (Kindy - Year 6) who participate in at least one C.B.A.A. additional performance opportunity. Some of these events are organised externally by Capricorn Ballet & Arts Academy and require some travel within the Sydney area. • C.B.A.A. Eisteddfod - usually held in Term 2, externally • C.B.A.A. Medal Day - usually held in Term 2 at DANCE1 • C.B.A.A. Trophy Awards or Second Chance to Dance - usually held in Term 3, externally Participation in these events is at an extra cost with additional weekly rehearsals. More information about what is involved will be available in the Family Handbook in mid-January 2027. The Junior Performance Team gives younger dancers their first taste of the Opening Number. As dancers grow, committing to DanceBlast, Technique and another style all year opens up bigger roles and more time on stage.	Kindy - Year 6 students only

Opening Number rehearsals are held outside of weekly class time and run over 5 Friday and/or Saturday afternoons in Terms 3 & 4. Rehearsal fees are $20 per dancer per session, charged at $100 on your Term 4 invoice.

Typically these are held during the last 3 weeks of Term 3, and the first week of Term 4 before Concert Week begins.

Please note that this opportunity is NOT compulsory for those who are eligible to participate. As the Opening Number is a BIG part of our concert and involves bringing many students together, attendance at all rehearsals is expected. We ask that families consider this before making their commitment. Missing a rehearsal may result in limitations to full participation to ensure rehearsals and performances remain safe, well-staged and fair to all involved.

PHOTOS, FILMING & MEDIA CONSENT

In 2026, the e-Safety Commissioner presented their findings regarding children's safety online and the use of children's images. In line with these guidelines, and our commitment to child safety, DANCE1 has introduced a new Media Consent policy for all families.

Every DANCE1 family will choose one of three consent levels on their Enrolment Form which can be amended at any time throughout the year via the DANCE1 Office.

PLEASE NOTE: The end of year concerts are filmed for every performer, so your choice does not apply whether choosing *'External'*, *'Internal'* or *'No Images'*.

LEVELS	WHAT
'Tier 1: External' (shared publicly)	You agree to DANCE1 sharing photos and videos of your dancer publicly, in line with our anonymity policy: • Shared on our website, social media (Facebook, Instagram), printed flyers, booklets or studio promotions • Faces are **hidden** in anything publicly shared (turned away, cropped or covered) • Names, schools, ages and other personal details are never shared and we never 'tag' students on social media. In addition to this, you also agree to the Tier 2 'Internal' Consent.
'Tier 2: Internal' (DANCE1 only)	You agree to photos and videos of your dancer being used inside the DANCE1 community only via secure platforms, never posted publicly online. This can include: • Weekly Monday Mail newsletters shared only with enrolled DANCE1 families. • BAND, our private app for enrolled dancers with admin approval required on joining. Some choreography videos may show your dancer in class where choreography is complex and requires a full class video. In most instances, this will only apply to students in Year 4 & above. • Faces may be visible within these internal channels, but names are never attached to images. **If not indicated, your dancer will automatically be classified as Tier 2: Internal.**
'Tier 3: No Images' (not shared)	Your dancer must not appear in **any** photo or video, with the exception of our end of year concert performance. • Your dancer will be asked to step out whenever photos or videos are taken, including any videos for BAND. We'll always do our best to be discreet, but some children may feel left out. If Tier 3 is right for your family, please discuss this with your dancer at home about the reason so they know what to expect. Our teachers can be supportive, but your explanation means the most.

PHOTOS, FILMING & MEDIA CONSENT

END OF YEAR CONCERTS

Your choice of Tier does not apply to participation in the end of year performances. This has always been a condition of taking part.

Our concerts are public performances in a theatre. They are professionally filmed and the concert video is made available to DANCE1 families. Filming & photography by audience members is prohibited within the theatre.

By taking part, you agree to your dancer being filmed on stage and in rehearsals at the venue. Concert footage shared separately by DANCE1 (externally or internally) still follows our anonymity rules: no names or personal identifying details.

CAPTURING IMAGES SAFELY

- Only DANCE1 staff or DANCE1 designated videographers (e.g. Cinemedia) may film and store images on authorised devices.
- Every image is checked against each dancer's tier & the DANCE1 Office views and approves every image for their intended use.
- Images or videos are taken for teaching, staff training sessions, communication and celebrating our dancers, never to identify or single out a child.
- Dancers must not film or take photos during class time or in common areas of the DANCE1 Studio (e.g. waiting areas, change rooms).

HOW IMAGES ARE STORED

- Any images or video captured are stored on DANCE1 accounts and devices. All authorised devices are identified with a DANCE1 logo.
- In rare cases where a staff phone must be used, images are uploaded to DANCE1 storage and deleted within 24 hours. Two staff members are present when deleting footage.
- We will never publish a child's name, school, age, address or other details with an image, and we never tag students.

PARENTS, VISITORS, BAND & OUTSIDE EVENTS

- There is no filming or photos taken during class or in common areas of the DANCE1 Studio by parents, visitors or dancers. This protects every child regardless of their consent.
- During events such as Preschool Viewing Day or open classes, filming is up to the discretion of the teacher based on the Tier preferences of the students in the class. If permitted, this should only capture your child.
- Please be conscious of any photos or videos that show other DANCE1 dancers and gaining permission if wishing to capture your child at DANCE1 events (including concert, backstage photos and other outside events).
- DANCE1 does not control photographers or filming that may take place at C.B.A.A. events and other external performances. Please check with organisers if you have concerns.

REFUNDS, ABSENCES & MAKE-UPS

14. **Refunds policy.** All fees, payments & deposits are non-refundable including tuition, costumes, workshops, holiday camps, optional extras, uniform items and enrolment deposits. We plan classes, teachers and costumes around your dancer for the year.

    If your circumstances change, contact the DANCE1 Office. Where possible, we will offer a class swap, make-up class, or a class credit transfer option in line with our DANCE1 values at the discretion of the Director.

15. **No credits for absences.** We do not refund, reduce or credit fees for any reasons including, missed classes, illness, holidays, religious events, family occasions, scheduling conflicts, withdrawal or change of mind.
    Make-up classes are available instead and injured dancers are welcome to watch class to keep up with their routines.

16. **Injury or Illness.** If your dancer can't dance due to an injury or illness, please contact the DANCE1 Office for appropriate class adjustments. The Director will consider enrolments on a case-by-case basis. Any credit option offered will not apply to any costume or concert costs.

17. **Forced closure.** In the event of a forced closure, DANCE1 continues an outstanding online program in line with our values. No refunds or credits are given for missed classes or enrolments cancelled due to these factors.

18. **Make-up classes (Preschool - Year 12).** Make-up classes are available in Terms 1, 2 & 4 only and are booked through the DANCE1 Office, subject to space in an equivalent class for the age-group.
    Make-up classes are not available during Term 3 due to concert preparations.

END OF YEAR CONCERTS

19. **Concert Participation.** Our end of year concerts are not compulsory and we let families make the best choice for their circumstances.
    If not participating, written notice must be given at the end of Term 2 or earlier. Concert preparations begin as early as Term 1, so late notice can affect costuming, choreography and class rehearsals.

20. **Class Changes.** Due to overseas costume orders, dancers are unable to change classes after Week 5 of Term 2. After this time, full concert participation cannot be guaranteed.

21. **Joining mid-year.** Dancers who enrol partway through Term 2 or the beginning of Term 3 may be eligible for concert participation, pending costume ordering and availability. The DANCE1 Office will be able to advise once enrolment has been confirmed.

22. **Term 3 Enrolments.** Enrolments received after Week 3 of Term 3 are unable to be part of the concerts, but are welcome to come and watch to see the show from the audience perspective ready for the following year.

COMMUNICATION

23. **Email.** DANCE1 communicates primarily via email to share important updates, event details, and announcements. It is essential that parents/guardians actively monitor their nominated email address to stay updated. By enrolling your child, you agree to monitor this channel to help your child stay on track with attending classes & rehearsals, studio events, and other commitments.

24. **Text messages.** When providing your mobile phone number and ticking the SMS consent box during enrolment, you opt in to receive updates only relevant to your child's classes, events, timetable changes, and attendance. You can withdraw this consent at any time by replying STOP to any text message.

    To ensure student safety and smooth operations, DANCE1 reserves the right to contact families via text regarding critical transactional matters such as fee invoices, emergency scheduling changes, student health, or immediate safety alerts. These essential notifications are not considered commercial under Australian law and will be sent regardless of your marketing opt-out status.

PHOTOS, FILMING & MEDIA

25. **Consent.** One consent tier should be chosen per dancer on their 2027 Enrolment Form. For dancers aged 12 & older, we encourage parents to discuss this with their dancer and involve them in the choice.

    Tier 1: External. Images may be shared publicly (via our website, social media, print or promotions) with faces hidden and no personal details. Images are also shared internally as per Tier 2.

    Tier 2: Internal. Images are used solely in DANCE1 communication (emails, newsletters and on rare occasions on BAND). Images are never posted publicly online or in print media.

    Tier 3: No images. Your dancer will not appear in any photo or video, with the exception of our end of year concert performance

    If no tier is chosen, we apply Tier 2 (Internal).

    Consent can be changed at any time by emailing the DANCE1 Office.

    End of Year Performances. The Tier system does not apply to our end of year shows. Concerts are filmed and by performing, your dancer will appear in the concert video which is shared with all DANCE1 families.

26. **Filming in Class.** Any images or videos captured during classes are done by DANCE1 Staff on authorised devices. This is done for educational purposes, training and in some instances celebrating studio-wide achievements.

    Parents, visitors and dancers must NOT film or photograph during classes and in common areas at the DANCE1 Studio.

HEALTH & SAFETY

27. **Injury or Illness.** By enrolling your child, you understand the risk associated with undertaking dance as a physical activity and acknowledge that on the rare occasion, accidents may occur through no fault of DANCE1 or its instructors.

    In this instance, you agree to release DANCE1 and its instructors of any and all injuries & damage incurred by your dancer.

    We ask students to advise teachers promptly of any pain or discomfort experienced during class.

28. **Suitable class uniform.** Dancers are required to wear the correct DANCE1 uniform items for class for safety reasons (including fitted dance shoes). Any dancers without the correct uniform may not be able to participate fully in class if the teacher deems the activity unsafe.

29. **Medical Conditions.** Parents & guardians should disclose any relevant medical conditions, allergies, injuries or additional needs at the time of enrolment and notify the DANCE1 Office if circumstances change. This information helps us provide the most appropriate care and support during classes.

30. **Confidentiality.** Any medical information disclosed to DANCE1 is kept confidential for the privacy of the student. Some relevant details may need to be shared with DANCE1 staff and in this instance, DANCE1 will seek permission before sharing. All staff are bound by confidentiality as part of their Staff Child Safe Code of Conduct.
